# My top 5 cities

>>>VENICE

>>>ROME

>>>ISTANBUL

>>>PARIS

>>>NEW YORK

Venice is a city in Italy. The population of the city is approximately 642 thousand. Transportation in the city is mostly provided by gondolas because the streets of Venice are covered with water. And it **appears** as a really beautiful city.

Why is it my favorite?

The biggest reason for this is of course the beautiful streets of Venice.

VENICE

Rome is the capital of Italy. Rome has about 2.7 million people and is home to Vatican City, where the Pope lives. Because of this, some people call Rome the capital of two countries. That's why it's a city with **global** influences.

ROME

Why is it my favorite?

The history of the city of Rome is very interesting to me.

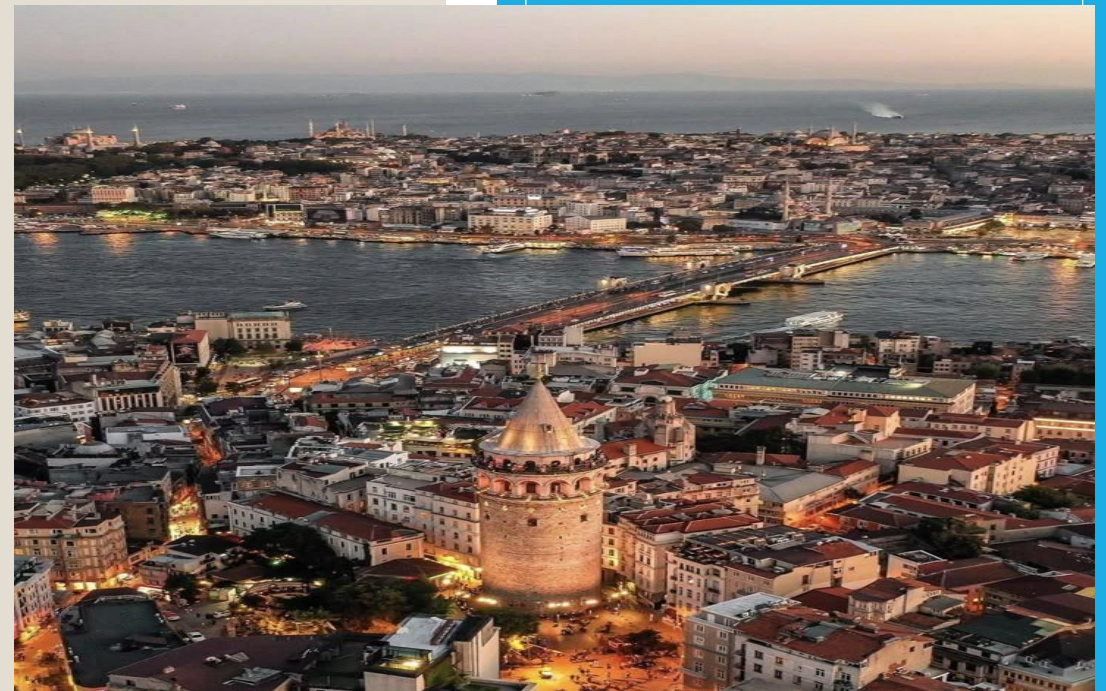

Istanbul is the most populous city in Turkey. There are many historical places in Istanbul. For example, Topkapi Palace, Basilica Cistern, Hagia Sophia Mosque.

Why is it my favorite?

Istanbul my favorite because it provides a lot of **information** about Türkistan History.

ISTANBUL

New York is the most populous city in the United States. There are very important financial companies and Banks in the city. This situation makes the city an important **figure** of the economy.

NEW YORK

Why is it my favorite?

The biggest reason why this city is my favorite is its technological and financial opportunities.

Paris is the capital of France. The city has many Touristic places. Especially the Eiffel Tower attracts a lot of attention. There are also many **cues** about the current fashion in the city.

Why is it my favorite?

The biggest reason for my interest in Paris is the Eiffel Tower and the fact that Paris is known as the city of lovers.

PARIS
